

Our region: Informing the board agenda

Our regions are the essence and strength of the MDA, providing the imprimatur for our actions and our advocacy. Using the form below, we encourage our regions to nominate topics for agenda items at the monthly MDA Board Meetings.

The national board of the MDA meets on the third Monday of every month. Agendas close on the second Monday of the month.

Please use this form to propose items to the agenda. The form should be submitted via [email](#) to Cathy Keegan by the secretariat no later than the second Monday of the Month, and must be signed by the region chair.

Please note that the inclusion of items on the board agenda is at the discretion of the National President.
